Date of workshop: 29/09/2018

Organized by

SREE VIDYANIKETHAN COLLEGE OF PHARMACY

Sree Sainath Nagar, A. Rangampet – 517 102,
Chandragiri Mandal, Tirupati, Chittoor Dist

Sree Vidyanikethan College of Pharmacy conducted a work shop entitled **“Workshop and Hands on Training on Quality Control Tests for Some Pharmaceutical Dosage Forms”** on 29th September 2018.

The Resource person for the event was **Dr R Venkidesh, General Manager, Sai Mirra Inno Pharma Pvt Ltd**, Chennai, Tamilnadu, India. The workshop was conducted for a total of 130 students from III, IV B.Pharm and M.Pharm of Sree Vidyanikethan College of Pharmacy, Tirupati. The speaker actively trained and expressed his insights about the importance of quality control of different kinds of dosage forms available in the market. He also delivered a talk on **“Dissolution profiling of Solid Orals”** in which he covered different vital areas of the pharma field like Good Manufacturing Practices (GMP), Biopharmaceutical Classification System (BCS) and Quality by Design (QBD). **Dr. C. K. Ashok Kumar, Principal** of the college delivered an introductory speech for the event, **Dr. S. Mohanalakshmi**, Vice Principal of the college proposed vote of thanks and **Mr. K. Ravindra babu**, Assistant Professor compered the entire event and facilitated certificate distribution.

The workshop was conducted successfully with the backing of the faculty members who were actively involved in training the students regarding different Quality Control tests. The workshop uncovered various regulatory and QC tests in the industry perspective. In addition, the resource person interacted with the faculty members of SVCP and gave suggestions on teaching and research frontiers. He visited the premises of SVCP and applauded the efforts taken by the management, faculty and staff. The event concluded with felicitation of resource person by Principal and Vice Principal of SVCP.
